

What people are saying about **University Settlement's Children's Corner Child Care Center**

"Since University Settlement began running the Center, I've seen big changes. They've hired new, highly-qualified teachers, upgraded the facilities and bought new furniture and toys. They are making a real investment in our community."

-Heide, Parent

"I love that the teachers are in constant communication with the parents. I always know what is going on with my son and feel like I am part of his day even when I'm at work."

-Tarmy, Parent

"My daughter is in the program for 2-year-olds, and it is nice to know that she will be able to stay at the same place until she enters school. That relieves a lot of stress for both me and her."

-Wendolyn, Parent

"University Settlement has transformed Children's Corner with a complete upgrade from facilities to curriculum to staff. Moreover, the addition of services like play therapy and support for children with special needs ensures we can meet the individual needs of every child."

**- Gwenevere Goodwin,
Program Director**
