2021 8879-TE - IRS E-file Signature Authorization Form  
2021 New York State Annual Filing for Charitable Organizations

The original of each of the above mentioned returns should be dated and signed in accordance with the following instructions included with the copy of the return. This copy is for your use and should be retained for your files.

Upon an audit of the return(s), requests may be made for supporting documentation. Therefore, we recommend that you retain all pertinent records.

An additional copy of the Form 990 has been included, to be made available for public inspection upon request. Please note that all statements of donors' contributions are not subject to public inspection and have been removed, as appropriate.

Form 990 must be made available for public inspection for a period of three years, beginning with the date the return is filed. The available document must be an exact copy of the return and schedules as filed with the IRS, except that the names and addresses of the contributors may be excluded. Any organization that fails to comply with this provision is subject to a penalty of \$20 for each day that inspection is not permitted, up to a maximum of \$10,000. Any organization that willfully fails to comply shall be subject to an additional penalty of \$5,000. You are also required to provide copies of the return if you receive such a request. Should you receive a request for inspection or for copies of your return, you may want to contact us for further details.

These return(s) were prepared from information provided by you or your representative. The preparation of tax returns does not include the independent verification of information used. Therefore, we recommend you review the return(s) before signing to ensure there are no omissions or misstatements. If you note anything which may require a change to the return(s), please contact us before filing them. We recommend that you retain all pertinent records that support the information reported on your return.

Before preparing your tax return, we provided you with access to a summary of transactions identified by the U.S. Treasury as reportable transactions. The law provides for a penalty as high as \$200,000 per transaction for failure to adequately disclose any of them on your tax return if applicable. Unless you notified us otherwise, your tax return was prepared with the assumption you have not engaged in any reportable transaction. Otherwise, we have prepared your tax return in accordance with the information you provided to us and have attached the appropriate disclosure statement to your tax return. We are not liable for any penalties resulting from your failure to provide us with accurate and timely information about such transactions or to timely file the required disclosure statements. If you have any questions about reportable transactions, please contact us before filing your return.

We appreciate this opportunity to serve you. Please contact us if you have any questions or if we may be of further assistance.
