

EXCEL is an inclusive program that offers recreational and educational activities for individuals of all abilities, aiming to provide meaningful support to individuals and families. It is grounded in the belief that everyone possesses unique talents and can EXCEL with the right support and nurturing.

The EXCEL Program is dedicated to ensuring affordable access to our services. If you are experiencing financial challenges, scholarships are available to ensure that tuition is not a barrier to participation.

Saturdays (No class on 2/21)

COMMUNICATIONS & TECH

9:15 am -
11:15 am

▶ Group Class, Ages 14+, In-person Only

▶ 2 hours/session, \$50/session, total \$550 for the semester

This class enhances students' communication and computer skills through MS Office, Google Suite, and Canva. It emphasizes the effective use of social media for personal and career development. Additionally, field trips and experiential learning opportunities add a practical dimension to classroom learning, helping students apply and reinforce their skills in real-world contexts.

12:00 pm -
2:00 pm

DRAMA STATION

▶ Group Class, Ages 14+, In-person Only

▶ 2 hours/session, \$50/session, total \$550 for the semester

Students will cultivate creativity, collaboration, and performance skills while exploring personal growth. Using drama as a tool, this course enhances expression, speech, and vocal abilities while fostering confidence, teamwork, and a strong sense of community.

1:15 pm -
2:00 pm

RHYTHMIC MOVEMENT & FITNESS

▶ Group or 1:1 Class, Ages 5+, In-person Only

▶ 45 minutes/session, \$25/session, total \$275 for the semester

Inspired by a lively dance fitness style, this energetic class begins with dance and fitness segments that allow students to express themselves joyfully through movement. Students follow and learn simple choreographed routines that blend hip hop and creative dance. Between songs, they stay active with light cardio exercises, basic strength movements such as squats and arm reaches, and dynamic stretching. The class helps students build body awareness while developing fine motor skills (such as hand-eye coordination) and gross motor skills (such as balance and agility) in a fun, supportive environment.

2:15 pm -
3:15 pm

CREATIVE ARTS

▶ Group Class, Ages 5+, In-person Only

▶ 1 hour/session, \$25/session, total \$275 for the semester

In this class, students will explore drawing, painting, and sculpting while building foundational art skills. They will learn to apply shading and create shapes in their drawings, experiment with color mixing and brush control in their paintings, and master basic clay techniques in sculpting. Students will also strengthen their problem-solving skills by experimenting with artistic approaches—adjusting proportions, blending colors to achieve the right shades, and refining clay textures to smooth rough spots or add finer details. By the end of the course, students will gain confidence in presenting their work and articulating their creative choices, developing both technical and creative skills.
